

QUESTIONS TO PRAYERFULLY CONSIDER BEFORE GIVING:

- 1** What difference do I want my financial commitment to First Baptist Alpharetta to make in my heart and life? How do I want my pledge to change me and allow me to more meaningfully invest myself in this vision for our city?
- 2** How willing am I to pray for God's guidance in how He might want to work through me in this gospel movement in Alpharetta? Am I thinking in a way that is easy and effortless or more challenging and requiring more discipline to be selfless in response to this vision?
- 3** What things can I afford, but am intentionally choosing to live without because I am committing to give sacrificially? Can I order my financial priorities to better reflect the order of my loves?
- 4** Am I thinking creatively about a comprehensive giving plan that represents what I am capable of giving? What assets and resources could I use as a gift beyond my income?
- 5** Am I discovering a new joy in giving through this process? As you prayerfully consider your commitment ask yourself: How is it demonstrating an expression of faith?

OPPORTUNITIES FOR GIVING:

Every person can meaningfully invest in what God is doing through this movement. While there is no formula for what one might give, below are opportunities and strategies for giving to consider.

Income and Giving

Income-Stream Giving

Giving as you receive income – from your regular income, bonuses, and/or through your personal business.

Sacrifice

Changing your lifestyle/priorities can create additional resources for giving.

Delaying Expenditures

Postponing anticipated purchases can free resources for giving.

Freedom from Debt

After a debt is retired, the resources that were applied to that debt are now available for giving.

Giving Assets

If an investment – like stocks, real estate, and other assets – has increased in value since its purchase and has been held for more than one year, then there may be tax advantages to transferring ownership of that asset to the church as a charitable donation. Giving the appreciated asset may eliminate potential capital gains taxes for the donor while still allowing the donor to receive the contribution credit for the current market value of the asset. Because of its tax-exempt status, FBCA can sell the asset and receive full market value less transaction costs.

**Lord, let your ear be attentive to the prayer of this
your servant and to the prayer of your servants
who delight in revering your name.**
