

21 DAYS OF PRAYER

JANUARY 2024

WEEK #1

1 BEACON OF HOPE

Name some things that God created. Now, grab a Bible and read Psalm 139:13-14. God is the creator of human life. He loves you and wants you to know Him! This is true for ALL people. Beacon of Hope is a ministry that helps mommies and daddies understand what it means to have a baby and help the whole family know who Jesus is. Pray for all the parents that will come to Beacon of Hope to find answers and solutions to becoming a parent, but most importantly they would see they are "fearfully and wonderfully made".

2 FAITH COMES BY HEARING

Find a map and point to a country that you know nothing about! Do some research and find out some fun and interesting facts about this place. Did you know that there are 71,000 languages spoken across the globe and that many of the people speaking these languages cannot read at a functional level? The best way for them to hear the Gospel is through a recording. Spend some time praying for our friends at Faith Comes From Hearing as they work diligently to see the Word of God recorded and freely provided in every language across our world.

3 FAITH BRIDGE

Grab those blankets and chairs and build an awesome fort! As you sit together in the fort, talk about our ministry partner, Faith Bridge Foster Care. They serve kids across the state of Georgia helping them find a home. Pray for Faith Bridge and their church partners as they care for vulnerable children and their families, but also as they provide a way to support foster and adoptive families in our state.

4 ONE CHURCH PLANT

Grab a bucket, or other container, and a ball or beanbag. Have a throwing line and see how many times you can make it in without missing. Take turns and move the bucket back each round to make it more difficult. Churches across Georgia are serving God by reaching people in their communities. Sharing the Gospel can be easy or hard at different times. Take some time to pray for Pastor Rod and his wife as they reach, teach, and change lives in their Atlanta community.

5 EVERLOVE CHURCH PLANT

Everlove Church is right up the road from FBCA in Suwannee, GA. Every morning at 5AM, individuals from the church gather to pray for the people in their community and that they would be sensitive to the Gospel. In partnership with them, set your alarm for 5PM, and for the next week pray for Joseph Lee and the people of Everlove Church.

6 GOSPEL HOPE CHURCH

Grab some aluminum foil and create your best boat. Now for the test! Place your boat in some water and see if it floats! Decatur, GA was named after a famous Navy officer who captained mighty ships. FBCA ministry partner, Ryan McCammack is the "captain" of Gospel Hope Church, and is faithfully serving the community in Decatur, GA. Pray for him and his family as lives are changed by the hope of the Gospel!

7 GUATEMALA MISSIOTECA

Grab a pencil and some paper and plan a family meal together. Let everyone pick a personal favorite to add to the list. Family time during mealtime is a highly valued Guatemalan tradition. Unfortunately, many of these families don't have access to clean water. Please pray for our ministry partner, Brett Lambert, as he leads Missioteca--a collection of missional initiatives dedicated to eradicating theological famine in the Global South and ending the water crisis in Guatemala.

WEEK #2

8 AFRICA - SLIMS

Have your parents help you collect \$5.17. This is what the average family of 4 has to live on per day in Sierra Leone, Africa. Now, go look up what a kids meal from Chick-Fil-A costs and see which one is more? Through our mission partners at SLIMS we are helping to provide schools, basketball courts, orphanages and churches for the people that live there. Spend some time praying for these families, asking God to meet their needs and show His great love for them.

9 BREAD OF HOPE

Have your parents pull out the kitchen trashcan, and imagine having to make your dinner and find your toys from what you can find in the trash. That's what the Wayuu people of South America have to do, because many of them don't have opportunities for work and so they live in the landfills of Columbia. Thanks to Bread of Hope these people are beginning to have some of their needs met, and now have the Bible in their language. They are learning about the hope that Jesus brings! As you put the trashcan back away, stop and pray for these Wayuu people, and Bread of Hope Ministries.

10 NEPAL

Have your parents help you find a picture of the tallest mountain in the world. Mt. Everest is in Nepal where some of the tallest mountains on the planet are found. Did you know that there are people that live in these mountains that have never heard about Jesus or the Bible? Our church is working with missionaries to make sure these people have a Bible in their language so that they can hear about Jesus. Pray for these missionaries and the people bringing Bible stories to the tribes that live in these tall mountains.

11 UK/USA

In England, hot tea served with cream and sugar is one of the most popular drinks. Think of a person in your life that may need a little extra 'warmth' in their life and drop off a box of hot tea with a note telling them you are praying for them.

12 IMB MISSIONARIES

Talk about your Sunday morning church routine. Who drives the car? Who fixes breakfast? Who checks you in to your class? In the Pacific Islands there are many moms and dads that do not like for their kids to attend church or hear about Jesus. Sometimes they will even give their kids a consequence if they find out they tried out church or tried to learn about Jesus. Stop and pray for our missionaries who are bringing the truth of Jesus to such a hard part of the world.

13 GIDEONS

Can you believe there are some people that live in our world that don't own a Bible? Go on a hunt in your home counting the number of Bibles that you have, then stop and pray thanking God for the gift of His Word.

14 SAMARITANS'S PURSE

Many of the kids we send Christmas shoeboxes to, don't have any other toys. Spend time today and fill a box with some toys that you may not play with anymore, and donate it to a younger child in another family or to someone who might not have as many toys as you. Then spend time thanking God for all the gifts you have, and the ability you have to give to others.

20 FIRST RESPONDERS

Next time you're in your car, keep an eye out for a police car or firetruck. These people selflessly serve our city and protect us. Grab some crayons and some paper to make a card of encouragement, thanking them for their service, then keep the card in your car. Next time you see a First Responder, give them the card and tell them how grateful you are for them. Then, remember the officers name and commit to pray for them.

21 WHISPERING HOPE

Babies require a lot of things. Whispering Hope helps struggling families have everything they need to take care of their new baby. Think about a family you know who has recently welcomed a new baby. Surprise that family by baking some cookies, or making dinner and dropping it off on their porch. Make sure you include a card letting them know that you are praying for them as they adjust to having a baby in their home, and include a preschool info card so they know all about the great preschool ministry waiting for their child when they are ready.

WEEK #3

15 WOODSTOCK CHURCH PLANT

Name some of the things that you love most about living in Georgia. Now imagine how hard it would be for you and your family to give up some of those things to live in another place to tell people about Jesus. That's what Pastor Grant, his wife, and their 6 kids did when they moved to Portland from Georgia to start a new church. Pray for their family as they work to 'Make Jesus Known' in their city.

16 ATLANTA CHURCH PLANT

Did you know that there are people right here where we live that don't know about Jesus? That's why our church is sending out Dr. Allen and Monetia Hollie to plant a church right here in Atlanta. Think through your own neighborhood, and choose a neighbor who you would like to invite to your church. Bake some cookies and when you deliver them to that neighbor, invite them to join you at church this Sunday! Who knows!? Maybe they'll say yes!

17 CANADIAN CHURCH PLANT

Move that coffee table, grab some brooms, and transform your family room into a fun game of broom hockey. First to 5 points wins! When you finish playing, talk about Canada and their favorite sport - Ice Hockey! In Canada, very few people know Jesus or attend church. Stop and pray for Pastor David, asking God to give his church favor as they work to share Jesus with people who have never heard about HIM!

18 WILLEO RIVER CHURCH PLANT

What do you want to be when you grow up? Did you know that there was a little boy just like you that grew up at our church who became a pastor? Pastor Tyler has just started a brand new church in Roswell and is working hard to reach families living right here that don't yet know Jesus. Every time you drive past a sign that says "Roswell" make it your goal to pray for Pastor Tyler and his church.
